Description :

PDF-74685 | In 1969 Richard Austin, a 22 year old artist, lived in Montréal. The city was in turmoil that year, experiencing often-violent strikes, civil unrest and terrorist bombings of the Stock Exchange and Canada Post mailboxes. During the year Sir George Williams University, situated in the city's downtown core, experienced the largest student occupation in Canadian history, which soon turned into a rio... *1969: Once Upon a Time in Montreal*
