Description :

PDF-9efcd | It is December 26, and the author, a Merchant Navy radio officer, is sailing on the SCOTTISH HEATHER into the infamous 'black pit,' an area where German U-boats can operate freely on the surface without fear of attack from the air. What happens next is just the beginning of a chilling, first-person account of the realities of the war at sea, as experienced by a young man in his late teens. Still t... *The Black Pit...and Beyond*
