Description :

PDF-3a0c7 | Selling professional services is not like selling products. Products can be seen. They can be felt. They are tangible. You can give them to a potential buyer and let them get used to owning them. Heck, they can be owned! Professional services just aren't like that. You can't give someone a bag of advice. You can't let someone take your expertise for a spin round the block. And there are rare... *Just Sign Here: How to Sell Your Knowledge, Experience and Advice to People Who Don't Know They Need It*
